

Jeff Havens

Biography

A Phi Beta Kappa graduate of Vanderbilt University, Jeff began his career as a high school English teacher before following his father Rex Havens (RexHavens.com) into the world of stand-up comedy, where he worked with some of the brightest lights in American comedy and honed the art of engaging audiences through laughter. But his impulse to teach never faded, and soon he began looking for an avenue to combine both of his passions into entertaining and meaningful presentations.

The results are *Uncrapify Your Life!*, *How to Get Fired!*, *Unleash Your Inner Tyrant!* and *Becoming a More Annoying You!*, and since their introduction Jeff has brought his unique, side-splitting, message-based presentations to General Electric, Ford Motor Company, USBank, McDonald's, and hundreds of other corporations in the United States and Canada. Original, informative, hilarious and powerful, Jeff's ability to help people achieve success in leadership, customer service, communication, generational issues, corporate culture and more by talking about what they should *and* shouldn't do guarantees that his audiences manage to laugh and learn at the same time. His stated goal? To provide all the content of a traditional presentation with all the entertainment value of a comedy show. Because improving your business doesn't have to be boring.

Jeff is also a regular guest on Fox Business News and has been featured in Business Week, the Wall Street Journal, CNBC, AOL, and dozens of other regional and national media outlets. His latest book, *Unleash Your Inner Tyrant!: Proven Strategies to Help You Become a More Horrible Boss* is available in stores now, and there will be many more to come. Trust us: Jeff is just getting started.
