

To Whom It May Concern:

Jeff's Uncrapify Your Life! presentation changed my life! As a club, we are always looking for insightful ways to better communicate our thoughts and ideas. Jeff's PowerPoint presentation gave us the strategies needed to succeed. All in all, the entire club enjoyed Jeff Havens' presentation. He provided lots of laughs. Additionally, I liked the more serious points on how we express ourselves to others that he provided at the end (Saying "I really cherish you" rather than "I love you" everyday to your spouse for example).

Jeff was very professional and adaptable to our club. I received many compliments about his show from our members. They can't wait until we have Jeff back again. Thanks Jeff for changing our lives. I would recommend hiring Jeff for any type of show or presentation for clubs, socials, holiday parties. Jeff adapts to any occasion.

To Whom It May Concern:

I hired Jeff Havens to speak at an annual Sales Summit that our corporation holds for all of our salespeople. It was held on January 16, 2008 in Dubuque, Iowa.

I had heard Jeff before, at a Midwest Free Community Paper Convention in the fall of 2007. I thought he was hilarious at both the after-dinner engagement he did at that time, as well as at a seminar the next day, where he presented "Un-crapify Your Life." Of course, besides being very funny, he delivers a message in such a different manner than any other speaker I've ever heard, it is bound to stick with you.

After the Sales Summit, where Jeff presented "Un-crapify Your Life" for us, we had our audience fill out evaluation forms on our speakers. Following are some quotes that were taken directly off of these evaluation forms in regard to Jeff's presentation:

- "He was extremely "refreshing" and was a great start to the day."
- "Jeff was very entertaining, creative and fresh!"
- "Jeff was the best – he is very entertaining. It's great to laugh and relieve stress, while learning to improve."
- "I enjoyed Jeff the most because it was such a refreshing twist on the typical type of speaker – very fun, entertaining and eye opening."
- "The laughter was enjoyable. There were a lot of lessons behind the laughter."
- "I liked Jeff the best just for the pure entertainment of his program. I think sometimes it seems we get pounded over the head with information we should apply in our individual jobs – what a pleasant twist."
- "Jeff was very fun because he took an opposite approach to motivational speaking."

I also have heard many comments that this was one of the best Sales Summits we have ever had. I owe much of that to one of three of our speakers, Jeff Havens. I highly recommend him; you won't be disappointed!
