

2008 National Marriage Encounter Conference

Harry and Cecilia Hentges

5915 Old Lohman Road

Jefferson City, MO 65109

To Whom It May Concern:

Jeff Havens opened the 2008 National Marriage Encounter Conference with a great presentation about how to "Uncrappify Your Life". We had one hundred couples present who laughed until they had tears in their eyes. Jeff did a wonderful job of customizing his presentation to fit our group. His creativity in presenting real life issues was refreshing and challenging at the same time.

Jeff was a delight to work with. He was easy to contact, answered any questions we had timely and even called the week before the conference to make sure that he knew about the philosophy of Marriage Encounter in order to make a meaningful presentation. We very much appreciated how easy Jeff was to work with and the effort he put into developing a presentation that fit our couples and philosophy

Everyone in the audience was excited about Jeff's mannerisms during the time that he spoke. He was fun and at the same time, was able to get across a real life message to the couples in the audience.

We highly recommend Jeff as a speaker and entertainer. He did a great job of opening our conference in an upbeat manner.

Sincerely,

Harry and Cecilia Hentges

To Whom It May Concern:

The Automobile Dealers Association of Indiana hired Jeff Havens, Comic/Motivational speaker, to perform his "Uncrapify Your Life" motivational speech at our Annual Convention.

We have never had a comic/motivational speaker at any of our events. I must admit I was a little worried about how Jeff would be accepted. Turns out, Jeff's energy and enthusiasm were just what our group needed. He had them laughing from the time he got on stage until well after he left our banquet.

I would highly recommend Jeff to any company looking to inject some laughter into their motivation meetings or conventions.

Sincerely,

*Mary Ellen*

*To Whom It May Concern:*

*We were introduced to Jeff Havens by the Oklahoma Society of Land Surveyors who used Jeff at their annual convention. They stated that Jeff was a fabulously funny man and that his program "Un-Crapify your Life" would have you rolling in the aisles. That is an understatement for this gentleman; Jeff has you laughing from the time he was introduced until it was time for him to leave.*

*He definitely connected with his audience and he even involved the audience in his act. We would not hesitate to recommend Jeff for any organization. Jeff joined us for the dinner portion of our banquet. His interaction with the head table made everyone feel very comfortable and he incorporated material into his act that we had sent to him earlier. This added a personal touch to his performance.*

*Jeff's fee was more than reasonable and we could not have been happier with the quality of his program for our Annual Banquet.*

*Sincerely,*

Re: Solo and Small Firm Conference

Dear Jeff:

Once again, thank you very much for speaking at the 2009 Solo and Small Firm Conference. We truly appreciate your important contribution to another successful conference. And, as you'll see, you're evaluations are awesome! Thanks for making us look good!

I also appreciate your patience regarding the evaluation results. We had a large number of evaluations, and it took us awhile to tabulate them all. However, we have finally finished the task and the results are now in. I've enclosed a copy of your program results. The results are based on the evaluations that we have received during and after the Conference. Your rating is an average of the total ratings that you received for your program. The choices on the evaluation were to rate content and delivery on a scale of 10=excellent to 1=poor. Some offered comments while others simply rated your program on the above scale.

If you have any questions about the evaluation responses or comments concerning the Solo and Small Firm Conference, please feel free to contact me at (573) 638-2258 or by email [lindao@mobar.org](mailto:lindao@mobar.org).

Best regards.

Very truly yours,

To Whom It May Concern:

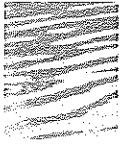

I would like to take a moment to let you know about a fabulously funny man, Jeff Havens. His presentation of *Un-Crapify your Life* at our Annual Banquet was the best entertainment we have had in years. Jeff is funny and really connects with the audience in a way that most speakers or comedians do not.

I would not hesitate to recommend Jeff to any organization, large or small, as he would adapt to any size or type of audience you need. Jeff also joined us for the dinner portion of our banquet and interacted with our table in a way that made everyone feel very comfortable and even incorporated material he just picked up from our conversation into his program.

Jeff's fee was more than reasonable and we could not have been happier with the quality of the program for our Annual banquet. I would even go so far as to say his presentation was the highlight of the banquet.

Dear Jeff:

I wanted to thank you for the show you put on at our YPO Family Meeting 49'er Dinner. "Uncrappify Your Life" was a fun, surprising and refreshing program for us that I would highly recommend for any other YPO Chapters that might want to break the mold.

As you know, we have a lot of business speakers speak to our organization. The build up for your presentation that we did led everyone to believe they were going to here another business speaker – fine, but sometimes routine. From the very moment you took the mike, we knew this was going to be different. I would encourage anyone else in similar circumstances to use this element of surprise to heighten the experience. From that point on it was a rollicking and thoroughly enjoyable evening.

Thanks again for working with us.

Sincerely yours,

YPO Florida Chapter
