To Whom It May Concern:

I'm not sure how to begin this letter, so I'll just say the first thing that comes to mind: Jeff Havens is an awesome speaker!

He presented "Uncrapify your Life" for our Staff Institute Day – 130 attendees ranging in age from early 20s to late 60s. It was spectacular!!! Our staff really needed to laugh together, and he shared a lot of valuable information as well. It was a great spin on the typical motivational speaker. We've had more traditional motivational speakers in the past, but none has ever received the kind of reviews that Jeff did. He is unique, and his program is one of a kind!

We're hoping to have him back next year with one of his other "inspirationally humorous" presentations. But if you are looking for an engaging speaker with a powerful message who will make your employees laugh until they cry, then you need to look into hiring Jeff Havens. We were absolutely thrilled, and I'm sure you will be, too.

TO WHOM IT MAY CONCERN:

We recently had the opportunity to provide an inservice to approximately 100 school administrators in Illinois. Fortunately, we had Jeff Havens as the presenter at this inservice.

Jeff provided non-stop laughs throughout his presentation "Uncrapify Your Life!". He easily engaged the audience and had individuals laughing heartily throughout his visit. His sense of humor fit well with his audience and he was very well received.

Comments from those in attendance have been very positive. Jeff definitely makes you laugh and shows you how to "Uncrapify Your Life!" He is someone who can provide your staff with an inservice that will be remembered for a long time!

Thank you,
