Dear Jeff,

I just wanted to take a moment and thank you for the great performance you did at our Comedy Night here at Island Bay on March 7th. The members who attended had such a fun time.

I also wanted to tell you what a joy it was to work with you. My requests were taken care of in a timely manner, it was easy to communicate with you by e-mail and by phone, you arrived early to get a "feel" for the place, and you personalized the show by learning ahead of time things about me and the club and incorporating them into the show.

The recommendation by Tim Straley, manager of Panther Creek Country Club, was a home run. He told me that you would be a hit and he was right.

Due to your top quality show the club is planning another comedy event for Labor Day.

Again...thank you!

Sincerely,

Robert G. Tregoning CCM

Dear Jeff:

Everyone was certainly entertained by having you as a speaker at our Pulse 2008 Annual User's Conference! Here are a few of the comments from the evaluations:

- "Learned a lot in Best Practices and ERN - comedian was great!"
- "I really only heard great things. Everyone I spoke with enjoyed the event from where it was held to the meals that were provided and the comedian."
- "The comedian was great!! A good break from the intense class schedule."

You are an absolute professional, quick to respond and on top of all of the details. I had peace-of-mind from the first time we spoke. If ever you need a corporate reference, please feel free to use our company name and my name as well. I will be happy to give you a good (great) reference at any time.

Thanks again for sharing your talents and humor with Pulse clients and employees.

Sincerely,

Rayma E. Korber

Department of Radiology Holiday Gala

Dear Jeff:

I wanted to take a moment to say thank you for performing at our Holiday Gala. We were very pleased to be able to offer entertainment at this years event.

The committee has received lots of positive feedback from those that were able to attend that evening. Your performance was perfect for our audience, and we couldn't have planned it any better. "Uncrapify your Life" was fun, interactive and pure entertainment. I can't remember the last time I laughed that hard, AND I continue to laugh when I think about the differences between men and women. I have managed to work several of your lines into everyday life situations.

Thanks again Jeff for making our Holiday Gala a big success. I wish you lots of luck with your future endeavors.

Sincerely,

Department of Radiology Holiday Gala

Dear Jeff:

I wanted to take a moment to thank you for your outstanding performance at our Holiday Gala a couple weeks ago.

I have received incredible feedback from those that were able to attend on that dreary winter evening. Your comedic act was right on track with our Radiology faculty and staff. "Uncrapify your Life" was fun, interactive and pure entertainment. I can't remember the last time I laughed that hard.

Thanks again Jeff for making our Holiday Gala a big success. I wish you lots of luck with your future endeavors.

Sincerely,
