

Jeff Havens Biography

A Phi Beta Kappa graduate of Vanderbilt University, Jeff has quickly become one of the most in-demand presenters in North America. His truly unprecedented ability to deliver high-quality education in an undeniably entertaining way has earned him dozens of repeat clients, all of whom appreciate Jeff's insistence that education is the *only* way that we improve at anything and that we'll all improve better and faster if we enjoy the learning process. By combining the content of the traditional presentation with the entertainment value of a comedy show, Jeff has found enthusiastic audiences in government, academia, small businesses and several Fortune 50 companies, all while still being one of the youngest members of the professional speaking circuit.

Jeff began his career as a high school English teacher before following his father Rex Havens (RexHavens.com) into the world of stand-up comedy, where he worked with some of the brightest lights in American comedy and honed the art of engaging audiences through laughter. But his impulse to teach never faded, and soon he began looking for an avenue to combine both of his passions into entertaining and meaningful presentations.

The results are a collection of innovative keynote presentations which include *Uncrapify Your Life!*, *Unleash Your Inner Tyrant!*, and *Us Vs. Them*. Original, informative, hilarious and powerful, Jeff's ability to help people achieve success in leadership, customer service, communication, generational issues, corporate culture and more by talking about what they should *and* shouldn't do guarantees that his audiences manage to laugh and learn at the same time. Because as Jeff likes to say, improving your business doesn't have to be boring.
